

Wise Women of Hampton Roads, the premier gathering of its kind, brings together talented women from diverse professions to discuss challenges, opportunities, and experiences in their roles as leaders. At each table, a distinguished expert in her field will lead the conversation. An inspiring address from a top leading female voice in the Commonwealth highlights the luncheon.

Proceeds benefit the Jodi S. Gidley Scholarship Fund, which was created in memory of the late President of Virginia Natural Gas who was a graduate of the LEAD Hampton Roads Signature Class of 2004. The fund provides scholarship assistance to women applying to the programs of LEAD Hampton Roads.

Audience: 100 female professionals from across various industries in Hampton Roads
 This event is designed exclusively by and for women
