

The Hampton Roads Chamber is proud to work with the region's General Assembly Delegation to improve our economic climate and quality of life. In 2016, Delegate Barry Knight has graciously agreed to Chair our 2016 regional social event and to urge our Senators, and Delegates to join us. Attendees are afforded the opportunity to socialize and network in a relaxing setting while discussing the challenges and opportunities facing their businesses and the region. The members of the General Assembly desire and need timely and pertinent input on matters impacting businesses large and small.

Entertainment and fine food and beverages are provided.

**Highlights:**

- Network with local business executives
- Gain access to state legislators
