EVOLVING THE BUSINESS WOMAN

>> FORGET THE GLASS SLIPPER FANTASY, WE ARE TALKING ABOUT THE REALITY OF THE GLASS CEILING AND HOW IT HAS BEEN SHATTERED BY WOMEN WITHIN OUR HAMPTON ROADS REGION.

We've gathered insight on how four successful women in the community maintain the work-life balance and now we are aiming higher to fix the glass ceiling flaw in our community. The Hampton Roads Chamber is hosting a Women's Business Forum on March 9th at the Founders Inn and Spa in Virginia Beach.

Our professionally accomplished panel will discuss how they reached their level of success in this market, what they'd do differently if starting over; and offer pearls of wisdom to our audience. This will then be followed by a moderated group discussion.

THE HAMPTON ROADS CHAMBER salutes our panelists' rise to success in a region that does not make it easy for women to reach the top.

PANELIST INCLUDE:

The Honorable Linda Johnson

Mayor, City of Suffolk

Stephanie Morales

Commonwealth's Attorney, City of Portsmouth

Carletta Waddler

Vice President of Business Development, Talent Curve

Julianne Worden

General Sales Manager, Sinclair Communications
