

LEAD OnBoard connects LEAD graduates with non-profit boards throughout greater Hampton Roads. The program places LEAD business leaders in non-voting capacities for one year, where they contribute their extensive professional and volunteer experience to non-profit boards across the region. Since 2001, LEAD OnBoard (formerly the *Board Partnership Initiative*) has placed over 700 experienced leaders on the boards of a diverse range of service organizations. The majority of these placements result in the LEAD graduate continuing in service to the board after their one year placement.
