The Chesapeake State of the Schools is an offering from the Hampton Roads Chamber of Commerce to respond to the interest in our public schools and their successes and challenges. The event will offer members of the business community a closer look at the impact public education has on the Hampton Roads Community. Top school officials will provide attendees with a comprehensive review of the public school system's strengths and challenges.

Highlights

- Hear from the Superintendent of Public Schools
- Network with School administration, teachers and School Board members
