

Hampton Roads Chamber of Commerce

The Hampton Roads Chamber of Commerce has proven efficacy in affecting change that is positive for local business. Through its full-time advocacy efforts the Hampton Roads Chamber of Commerce helped win the fight for an additional \$880 million into Virginia's transportation system. The Hampton Roads Chamber of Commerce also supported the Medicaid reform/expansion and opposed the measures that would eliminate or change the current system that requires local school divisions to receive a waiver before opening prior to the Labor Day Holiday.
